TREE IDENTIFICATION PROGRAM AT BEAVER PARK

DATE: Sunday, September 12, 2010

LOCATION: Beaver Park Lone Pine Lodge

TIME: 1:00 p.m. to 3:00 p.m.

INSTRUCTORS: Verla Brooks, Lisbon Park Ranger

COST: Free

Enjoy a fall walk at Beaver Park while learning to identify the various trees and shrubs that grow in the Park. Do you know the smartest tree that grows in Maine? How do you tell the difference between a white, red or pitch pine tree? Have you ever tasted cherry bark? Learn to identify the trees growing in Beaver Park and you will be able to identify most of the trees growing in southern Maine. Wear comfortable walking shoes and dress for the weather. Expect to walk at least 1 to 1.5 miles. Hot drinks and refreshments will be available at the Lone Pine Lodge after the walk. Invite family and friends to join you. Please register by September 10, 2010 by calling Beaver Park at 353-9075 or e-mailing the Park Ranger at vbrooks@lisbonme.org. This event is scheduled rain or shine.
